

ADVENTURES WITH THE HOLY SPIRIT

STUDY GUIDE WEEK 2

// Discussion Questions

1. Question 1 When have you allowed the Holy Spirit to surprise you? Tell us about it.
2. Question 2 When Jesus says “I will send the Spirit, I will not leave you as orphans” it’s clear that the Spirit gives us the mindset of adoption. What happens when we live as “orphans”? How do we think and live when we live with an orphan spirit?
3. Question 3 How do we live when we live with an adoption spirit - knowing our Father is God Himself!?
4. Question 4 How could this W.I.N.D. teaching apply to us at work? What might the Spirit “nudge” us to do? What might the spirit “instruct” us about?
5. Question 5 When has God surprised us with His love and power - when God was speaking or moving through someone else’s faith? How did that bless you? What does that mean regarding that person who ministered to you? What was their posture and their mindset that day if they ministered to you? What can we learn from that experience?
