WELCOME

Some of the topics may be disturbing. If you get disturbed just politely exit and someone will go with you and pray with you and ask God to bring you healing or the person who may have experienced sexual trauma - praying that God will bring healing and restoration to your mind.

I am recording the class because some peopel asked me to put it on our podcast bc they couldn't make it SO... wait till the end and i'll shut my camera off before sharing any stories that you want to remain private and sealed in this room.

This is a safe place. You can be real and honest and we will love you and you will be accepted as a child of GOD no matter what you've experienced or things you've prior believed!

INTRODUCTION

Sex itself is a gift from God given to couples meant to be enjoyed in the confines and covenant of marriage.

Sex replicates the image of God on the earth. We'll talk more about that in a moment.

Sexuality is at the very CORE of who we are as individuals. This is why Satan, the enemy of God, is attacking it so intensely. He wants to attack your identity! He wants you to question who you really are and question if God messed up.

Someone turn to John 10:9

HUMANS are God's IMAGE-BEARERS, His "Special Creation"

To actually understand ourselves and how we are to live in this world, we must first understand who our Maker is. After all, we are made in His image. Our sexuality is at the CORE of who we are. When satan attacks that - he attacks US at our CORE and causes us to question our identity and value.

Satan aims to STEAL KILL and DESTROY the abundant life God wants you to experience according to **John 10:9-10**

Someone read that please

For now, understand what the Bible reveals about God. God is an incredible artist!

Creation reveals the mastery of our GOD as a Designer, Artist, Architect!

Think about Maslow's law of human needs. If you haven't seen it, I'll display it here. My wife and I learned a lot about this in our classes for foster care training. It's remarkable to me that our instructor told us that very few people every get to the 'self actualization' part in their life. Those who are victims of abuse are worried about their physical safety. Everything else, of course, becomes a lower priority. Those who are hungry and having a hard time affording groceries are worried about their physical need to eat and feed their children. This leaves them in "survival mode" and unable to dream about what could be in their future. When we're in survival mode, it's hard to imagine a life of incredible fulfillment, wonder and happiness. What's remarkable to me is that Spirit-filled Christians who've embraced their true identity do live in what Maslow calls "self-actualization" I don't mean that in the self-centered way but rather in the way he describes this sort of individual.

This individual is truly full of joy because they understand their purpose. This person is full of happiness because they know why they're alive. Do you know why you're alive!

You're alive to enjoy God.

You're alive to bring honor to God.

You're alive to carry out God's mission - **revealing His image to others.**

Sex, as a gift from God meant to be enjoyed in marriage, enables multiplication, the very FIRST COMMANDMENT of the Bible! Be fruitful and multiply. The LGBTQ movement says "NO" to that command and drives the wedge between created and Creator as far as possible. It's man's ultimate way of saying "I am autonomous and I dont need You" to God.

To be human means to be a work of art enjoying the Artist at work (God) To be human means to worship the One who made all things and gives life and breath, beauty and purpose. **To be human means to extend God's image,**

revealing His goodness to others. Think about the creative genius of God. He didn't create humans like animals. He gave us the ability to create the future, to imagine, to dream, to build and to bear His image. We are not animals! This is why it's an incredibly progressive anti-God person that will champion the cause of animal welfare yet also demand "women have the right to kill their babies!"

This is a statement that can only come from someone who doesn't understand the intrinsic worth of a human life. The Bible teaches us that infant being formed in her mother's womb, no matter how it was initiated, is a human life - a life that bears God's image

"When we don't first see God as Creator, we don't realize our need to submit to Him."

I wonder how many Christians would

We serve a triune God. Our God is three-in-one. Each are in perfect submission one to another. They and don't have to get each other's permission to do something or think something or go somewhere. Ironically there is a submission that takes place though. The Son, Jesus, is submitted to the Father. The Spirit is always pointing attention to Jesus and the Father is also saying "look at My Son!" The Son is the visual representation of Father God. Jesus tells us what God is like.

When we understand that that God is triune, it's a foundation upon which we can build for the rest of the book in our aim to understand who God is and who we are.

We are made in God's image! Jesus breathed and spoke the earth into existence the Bible tells us that the Spirit of God - whom I'll call in this book The Artist - was hovering over the chaos before it came into perfection and formation. It's almost as if the Spirit was thinking and imaging "what could I do with this?"

We Have Many Signs of a Confused Culture

- **Put up the Screen Shot of APPLE emoji for Trans that was given in iOS update in fall of 2020**
- **Doctors are performing "Gender Affirming Care" on kids - mutilating them! Put up the screenshot of the DR quote.**
- **Christians have been obligated and pressured to first accept, then affirm & now celebrate what the Bible calls sin and evil.**

- Reiterate what was said prior “An attack on gender is an attack on the Creator of mankind. He and He alone is God and He decided to make only two genders. Etc

Wheat And Tares

If you know me, you know that I LOVE unity and can't stand it when Christian leaders call out by name those they think are heretics when the issue they're arguing is very gray and a matter of preference or interpretation.

THIS IS NOT THE CASE

Andy Stanely of North Point in Georgia is hosting the Unconditional Conference “for parents of LGBTQ+ children and for ministry leaders looking to discover ways to support parents and LGBTQ+ children in their churches.”

Stanley will be speaking alongside:

Justin Lee, professing Christian, "**married**" to another man.

Brian Nietzel, professing Christian, "**married**" to another man.

David Gushee, prominent Christian theologian who argues the orthodox Christian church (and Bible) is wrong on the issue of same-sex relationships.

Greg and Linda McDonald, parents of an "LGBTQ child" who promote the heretical Matthew Vines book, "God and the Gay Christian: The Biblical Case in Support of Same-Sex Relationships."

Romans 1:26-27 makes it clear what God thinks about same-sex and transgender choices alongside many other scriptures.

Christians have been obligated and pressured to first accept, then affirm & now celebrate what the Bible calls sin and evil.

“An attack on gender is an attack on the Creator of mankind. He and He alone is God and He decided to make only two genders.

Sin only grows when unreported of. Notice how the sin has escalated and how quickly in recent years.

- **Canada** Now has adults getting naked in front of children to teach them to accept their body (by staring at others!?!). This is federal crime - the dissemination of pornography to minors
- **Netflix - Cuties** endorsed minors engaging in sexual activity ...
- **Women Unprotected From Naked Men**
NCAA not only allowed but encouraged “Lia Thomas” a biological male to use the women’s locker room, getting naked and changing in front of the women’s swim team. Multiple women swimmers complained and were told to be silent and warned they’d be punished if they spoke up and didn’t

“accept” him/her. We’re seeing a complete ignorance in our culture - a willful refusal to accept reality as it is and instead affirm someone’s delusion all in the name of “love” or “acceptance”

- YMCA - A transgender man used the womens locker room undressing and exposing himself to all the ladies. A woman ran to the front desk to complain and insist he be removed. Instead, the YMCA staff chose to reprimand her instead of the delusional man standing naked in the locker room. YMCA core leaders stood by the staffer’s decision and ensured the scared woman never returns to the YMCA again. This endangers women!
- Don’t believe me how fast this is escalating? Men in prison are identifying as transgender women so that they can get transferred to a women's prison and it’s working! What happens? You guessed it. The women are being raped by the trans man that was sent there. Imagine that insanity. Look it up. It’s happening in prisons across America.
- Where are the advocates for women in all of these situations?! Where are all the groups who tout themselves to be the advocates for women’s rights and women’s safety?

There are a handful of arguments that are usually presented by people, even Christians proposing that we should just all accept this as our new normal. Here are those myths.

Myths Debunked

- **MYTH #1 Time / We’re now more enlightened.** “We know more about homosexuality now then we did back then.”
 - TRUTH: Are we willing to say then that God knew less about homosexuality then than He does now? Either you accept His Word as inerrant because it is perfect or you don’t.
- **MYTH #2 “You can be anything you want to be.”**
 - TRUTH: You can be everything God wants you to be - nothing more, nothing less. You can’t change genders because you feel like it. Gender is not fluid or a feeling; it is designed by God and given at birth - conception actually. Your body parts reveal your gender. Satan takes a good statement meant to be an encouraging line and twists it.
- **MYTH #3 Rebranding something removes it’s harm.** It’s Gender Affirming Care: “All trans kids deserve gender affirming care”
 - TRUTH: Renaming something doesn’t remove it’s actual reality. Cutting the breasts off a teen girl is mutilation, torture and abuse performed only by psychopaths, dellusionial in their own pride and narcissim that they know better than the parents and IM-mature child.

- **MYTH #4 But many are “born this way”**
- Social Construct or Natural “Born This Way” Inclinations Is someone simply born with this dysphoria? Some argue that.
- TRUTH: Liberal states have a staggering percentage higher of trans and LGBTQ youth and adults. Why? The culture they are in is consistently affirming and celebrating it. It’s a ‘product of environment’ choice. No different than if I grew up in a town and everyone in my community spoke Spanish - I then would speak Spanish. It’s a social construct. IOW It’s being TAUGHT. It’s not “natural” ‘Born this way’

- **MYTH #5 Love Affirms Everything & Everyone**

- TRUTH: Love tells the truth and prevents people from danger. Love accepts them into their world as friends but loves them enough to point out thoughts or behaviors that are harmful. This is at the core of Satan’s lie. Satan comes “as an angle of light” Scripture says. He deceives; he doesn’t flat out lie most often. He takes something that sounds true and “right” or “moral” or “kind” and twists it so that it works in his favor and accomplishes his agenda.

- **MYTH #6 If it isn’t hurting you, what’s the problem?**

This argument goes like this ... “If they’re happy, just leave them alone.” Their choice to dress in opposite sex clothing and **pridefully** share that they have sex with people who have the same body parts by discussing it with children, in media, at Library StoryTime hours, in parks, etc is forcing my children (America’s children) to see pornographic, sexual content that up until 2022 was deemed illegal federally because it’s proven to cause psychological harm and simply bc it’s WRONG.

- They’re choice to take their clothes off in front of a minor who is a female *is* endangering my children and your children from seeing things they can’t unsee at ages they can’t comprehend and process. Homosexuality pushed by YouTube Kids algorithm and a myriad of other sources potentially removes the joy of them being in a monogamous relationship with the opposite sex thereby inhibiting them from the blessings of children.
 - a) Protect my children from being forced to compete with biological males who are proven stronger. Biggest benchpress amount for women is 500lbs Biggest benchpress for men is 1050 lbs. TWICE. I’m not sure if you’ve seen the video of a trans men knocking out female boxer but if you haven’t you should ... if your stomach can handle it. Where are the advocates for

women's safety in all these situations!?

- b) The second reasons I can't just turn a blind eye in the name of "leave them alone" is I have an obligation and God-given innate compulsion to protect my children from danger. As a parent, I will protect my children from being forced to see sexual content before they were destined by God to see it. Unlike the depraved mayor in LA who was spanked by a dragqueen in front of children recently. Satan wants the entirety of our youth sexualized and only perverts welcome it. Sex is meant to be enjoyed in the privacy of a bedroom between a man and a woman that have come together in the covenant of marriage - it's NOT a show to be seen. As a parent, I won't allow you to sexualize my children or do things or read things inappropriate in their midst. If a male chooses to try to deceive society by dressing "trans" and follows my daughters into the women's bathroom, I don't care if he's wearing a dress, he will come out with some broken limbs. That's called love - me protecting my daughters. This happened in Target stores across America a few years ago and it will happen more if society continues down this insane path.
- c) It IS my job to speak up because the Bible tells me to. The Biblically is clear in it's instruction to warn Christians who claim these issues are not a grievance to God. Paul tells us that IS our role to warn believers who engage in open rebellion to God yet claim to be "believers" or "in the faith"

We are in the last days Jesus warned about where the tares will be growing right alongside the wheat. They will look like Christians, sound like Christians and label themselves Christians yet will deny the explicit words and commands of God given in His Word.

I personally believe the great deception of the end times is that affirming sin will be called "love" but we know that love is only truly love when it is grounded in truth, and the perfect depiction of love is God himself who is fully righteous, yet completely sacrificial. He demonstrated this in the giving of his son Jesus. How many kids suffer from gender dysphoria because of the lies they have heard in today's culture we know that there are only two genders, male and female, and God created an outline in the very first book of the Bible. Marriage is between a man and a woman, and their union can reflect, as Paul states, the union of Jesus and his bride.

■ **MYTH #7 A loving parent lets the children decide.**

We don't make this argument for any other situation - minors choosing.

- Minors who think it'd be fun to ride their tricycle down highway
The adults make the choice for the child that it is NOT safe and protect the child from the danger they don't understand
- We don't allow someone who has an imaginary friend to book 2 flights on an airplane. We'd call them mentally ill and ask them to book one flight or to leave and stop asking for another seat. When someone is mentally ill, we don't celebrate their illness; we have compassion on them and love them enough to tell them the truth and if we see it's not sinking in, we help them best we can in safe environments but we do NOT adapt our lives around the delusion of the mentally ill person. We do not "affirm their reality" There is reality and there is delusion. There is biological sex and physical anatomy indicating one's gender.
- If someone decides to have sex with another human that's the same gender as them, that is their decision and they can do whatever they want in the privacy of their bedroom. God will judge them one day - I'm praying they repent and ask Jesus to forgive them which He would! - but nonetheless - I can't stop nor will I try to stop two grown adult sinners from sinning. Paul says in Colossians "You'd have to leave the world to do that." (to stop sinners from sinning) I am however willing to speak up to ...

The question the world is asking the church on this subject of homosexuality is this:

Why do Christians get so passionate or dogmatic about homosexuality? Why do you seem to hate the homosexuals?

Let me first say We don't hate the homosexual. We love the person and want to see them changed by the love and truth found in God's Word just like we were.

I do however want to apologize for the way some Christians have acted regarding this subject. Since Gay Marriage was legalized in our Supreme Court, we have seen a number of Christians and Ministers speak so condescendingly about people are gay or lesbian or even transgender. We need to treat people who are confused with compassion and love but never affirm their sin and rebellion. We welcome the drunkard but we don't hand out alcohol. We welcome the thief but we don't open the safe. We welcome the LGBTQ person but we don't affirm their sin.

Why the disdain for homosexual approval/acceptance? **We believe sexuality is sacred because it's given by God to populate the earth, multiplying His image on the earth, glorifying His name in the context of marriage as it celebrates His design.**

While the opposite is true: We believe that homosexuality tells God "Your design is flawed." That view of course offends us. Why? Because we love God and worship Him as our Creator.

Marriage between a man and woman celebrates the design of God given to us in Genesis.

We feel that God's Word is so clear about His creation of man and woman and that the two become one not just to compliment and care for one another but also **to provide a way for multiplication.** Keep in mind that when He created man and woman, He created them in His image so when children are born they are continuing the image of God and even the command of God "to multiply and fill the earth." So this is powerful and meaningful stuff to us Christians.

Again think about what we said last week - God put man on the earth and the command was MULTIPLY - duplicating His image and what does Satan attack? Our sexuality and our sexual identity in order to STOP the multiplication of God's image! This is BEDROCK foundation for you to understand when it comes to grasping the philosophical and spiritual motives for the new sexual revolution we're seeing in our culture today.

We believe a man compliments a woman as a woman needs and a woman compliments and helps a man in ways that a man needs.

Men and women ARE different no matter what some in our society may tell you. There are inherent differences between male and female and when God created man and woman to come together in marriage it was part of His amazing design and a way for us to glorify Him. Note the stats I gave you last week - the number of trans boys who are winning all the races, games, matches, due to their biological advantage. This is so obvious that it's remarkable we have to even say these things but the Prince the Air has blinded so many from obvious truths. Apparently the more spiritually blind you become, the more blind you become to the most basic of logical conclusions regarding fairness and safety.

Marriage, the Bible tells us, actually is picture of Jesus and the church. Marriage is spiritual.

This sacred institution called marriage is a beautiful picture, a metaphor of Jesus Christ and how He serves and protects the church and the church honors Jesus. Jesus serves us not because we ask Him to but because He is that kind and selfless and we in return honor Him and respect Him.

We Christians are so thankful God made us and God forgave us that we want each person to honor our Creator and our Savior by knowing God and honoring His design.

- **MYTH 5. Love Affirms Everything & Everyone**
 - TRUTH: Love tells the truth and prevents people from danger.
 - This is where we'll spend a little more time than all the other myths because it is at the core of Satan's lie. Satan comes “as an angle of light” Scripture says. He deceives; he doesn't flat out lie most often. He takes something that sounds true

and “right” or “moral” or “kind” and twists it so that it works in his favor and accomplishes his agenda.

 - c) Warn Christians who claim these issues are not a grievance to God. Paul tells us that IS our role to warn believers against embracing something that is sinful and

especially something abhorrent. The reason we call “sodomy” “sodomy” is because of what God did to Sodom and Gomorah when they refused to repent and stop having sexual relations - men with men, women with women. God takes sexuality very seriously.

- Jeremiah 16:17-21 KJV gives us a sobering fear of the Lord which the Bible calls the beginning of wisdom. As we read this let the fear of the Lord enter your heart and let it remain there.
- *For mine eyes are upon all their ways: they are not hidden from my face, neither is their iniquity hidden from mine eyes. [18] And first I will recompense their iniquity and their sin double; because they have defiled my land, they have filled mine inheritance with the carcass of their detestable and abominable things. [19] O Lord, my strength, and my fortress, and my refuge in the day of affliction, the Gentiles shall come unto thee from the ends of the earth, and shall say, Surely our fathers have inherited lies, vanity, and things wherein there is no profit. [20] Shall a man make gods unto himself, and they are no gods? [21] Therefore, behold, I will this once cause them to know, I will cause them to know mine hand and my might; and they shall know that my name is The Lord.*

Remember, Satan aims to STEAL KILL and DESTROY the abundant life God wants you to experience according to **John 10:9-10**

Signs of a Confused Culture

We're going to continue the signs of a confused culture where we left.

- **Re-Vocabulary of Torture to Children**

-
-
- Article dated April 23, 2023
- A 2016 medical article documenting the tragic death of one of the participants in the linchpin Dutch study upon which the entire child sex change experiment is based indicates that puberty suppression was to blame for the young person's death.
- The case is that of an 18-year-old trans-identified male whose puberty was blocked by the Dutch researchers at a very early stage, meaning there wasn't enough penile tissue for surgeons to use to create a “neo-vagina.” Therefore, a more risky procedure using a section of the patient's bowel was necessary, which resulted in fatal necrotizing fasciitis.

The manuscript, by Negenborn et al., begins by saying that the “absence of a functional vagina has a negative effect on the (sexual) quality of life of (transgender) women” and explains that multiple surgical procedures have been described for vaginal “reconstruction” in these patients. The patient is described as being a “healthy” 18-year-old for whom standard vaginoplasty surgery was “not feasible” due to having undeveloped genitals as a result of early puberty suppression.

>>

“Transgender women with early-onset gender dysphoria, treated with puberty suppressing hormones, report fewer behavioral and emotional problems and an improvement of general functioning,” readers are assured at this point.

What can happen with all this experimentation? When Doctors try to play God? Here’s what: ***Major complications began within 24 hours of surgery, and necrotising fasciitis was confirmed in the days that followed. Despite large doses of intravenous antibiotics and “repeated surgical debridement,” the previously healthy patient went into multiple organ failure and died.***

Fox News, Fox 11 reported last month from Riverside HS:

A Transgender student at a High School in Riverside, California has assaulted a girl after exposing his genitals and spitting at girls in the girls locker room.

According to a student witness, the transgender boy entered the girls locker room and after being confronted for being in there, spat at a group of girls and exposed his penis to them.

“He spit on my friends who are girls, females. He shows his genitals in the locker room.”

A fight then ensued outside between one of the female victims and the Transgender boy.

The Trans student has now been removed from Riverside’s Martin Luther King High School.

WHO IS SATAN and WHAT DOES HE WANT?

What are we dealing with here?

Many people lose the battle against their enemy Satan, simply because they do not understand who he is and what he wants. Imagine if you were enlisted to go to battle against an enemy that you did not understand. It would be exhausting and frustrating. Unfortunately, that’s how many people even believers feel frustrated and exhausted simply because they don’t know who it is they are facing.

The battle we're in is real. Too many Christians don't realize it but there's a battle for your life, a struggle between good and evil, God and the devil. So who is "the devil" and where did he come from?

Satan is an imposter an intruder, and he is completely inferior. If you will just remember these three things, it will set you free from his lies that hold you in bondage.

Satan was an imposter, and that he wanted to be worshiped. The Bible says....

Satan was

Satan is a thief.

Satan is a liar.

Jesus said ...

"He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. Whenever he speaks a lie, he speaks from his own nature; for he is a liar, and the father of lies." JOHN 8:44

Satan wants to be God.

Satan wants to be worshipped. Even though God designed him for worship music to flow through him, he wanted worship to flow to him. All worship leaders, pay attention to this, please. You are on a slippery slope when you start to want to be worshiped instead of simply wanting Jesus to be worshiped. I know guys who have stepped away from the stage for a while because their heart became contaminated with pride. They couldn't stop the thoughts of wanting to be seen, praised, adored for their musical talents. So in humility, they stepped away for a season. Friend, it's better to own it and admit your need for a break than to continue on and make the "worship" section more about you than about Jesus. Guard your heart for out of it flows the wellspring of life." PS (REFERENCE)

Satan wants to be worshiped. He wants allegiance.

He is a liar and deceiver.

And the great dragon was thrown down, the serpent of old who is called the devil and Satan, who deceives the whole world. REVELATION 12:9

But I am afraid that, as the serpent deceived Eve by his craftiness, your minds will be led astray from the simplicity and purity of devotion to Christ. 2 CORINTHIANS 11:3

Satan is a loser.

Satan has lost. You have won solely because Christ has won!

Scripture declares Jesus victory over the one who rebelled against Him.

"When He had disarmed the rulers and authorities [Satanic powers], He made a public display of them, having triumphed over them through Him [Christ]." Colossians 2:15

Now judgment is upon this world; now the ruler of this world shall be cast out. John 12:31

“And they overcame him (Satan] because of the blood of the Lamb and because of the word of their testimony, and they did not love their life even when faced with death.” Revelation 12:11

Do you see that Satan is defeated and it's a done deal? When you do, you are much more prepared to rejoice in Jesus victory and not fall prey to satan's schemes. The power is in the knowing of two things: first, Jesus victory and second, satans schemes.

WHAT DOES THE BIBLE SAY about sexual imorality? And does it say anything about homosexuality?

1 COR 6:9-20 Or do you not know that wrongdoers will not inherit the kingdom of God? Do not be deceived: Neither the sexually immoral nor idolaters nor adulterers nor men who have sex with men^[a] **10** nor thieves nor the greedy nor drunkards nor slanderers nor swindlers will inherit the kingdom of God. **11** And that is what some of you were. But you were washed, you were sanctified, you were justified in the name of the Lord Jesus Christ and by the Spirit of our God.

Sexual Immorality

12 “I have the right to do anything,” you say—but not everything is beneficial. “I have the right to do anything”—but I will not be mastered by anything. **13** You say, “Food for the stomach and the stomach for food, and God will destroy them both.” The body, however, is not meant for sexual immorality but for the Lord, and the Lord for the body. **14** By his power God raised the Lord from the dead, and he will raise us also. **15** Do you not know that your bodies are members of Christ himself? Shall I then take the members of Christ and unite them with a prostitute? Never! **16** Do you not know that he who unites himself with a prostitute is one with her in body? For it is said, “The two will become one flesh.”^[b] **17** But whoever is united with the Lord is one with him in spirit.^[c]

18 Flee from sexual immorality. All other sins a person commits are outside the body, but whoever sins sexually, sins against their own body. **19** Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; **20** you were bought at a price. Therefore honor God with your bodies.

Satan is an Intruder

Satan tells you that you can change who you are sexually. He is telling youth that

Satan tells you that gender is fluid and that maybe the Dr didn't "assign" you the correct gender at birth. Even though we know the Dr knew your gender the second he or she saw your body parts indicating male or female.

He tells you these lies to STOP YOU FROM BEARING GOD'S IMAGE on the earth. Every time you bear God's image by revealing His love and kindness, grace and power to people, it brings glory to God. Satan hates that!

Bullet Points To Remember when it comes to TRANSgenderism and what the Bible says or implies:

- Men and women are different
- God made two genders (only 2)
- Each complete the other
- When we assume there's is more we're putting ourselves in the same category as God (idol worship of created image)
- Women and Men are create equal. Equal in value. Different in role.
- Women are vulnerable and they're need protected by men
- Men enjoy being the hero - the protector. Don't belve me? Why is every marvel movie still no. 1? Why is Rocky still no. 1? Men are wired by God to protect and be the hero, defeating the bad guy in order to save the weaker ones. GOD made men like this. Satan wants to blur the lines and distort men's role and identity.

To this point, Christians have enjoyed, for the most part, marginal acceptance by society due to legal protections, but if things continue at their current rate, this time will soon be over. Full participation in the workplace and in wider society will require complete submission to whatever are the prevailing ideals of the moral revolution and the proposed reset of all creation norms.

While our freedoms still remain, we have already witnessed in the church a growing temptation to compromise on biblical anthropology and sexual ethics. Many of the ideologies of the culture have already found a place in many quarters of the Christian church in an attempt toward cultural acceptance. Movements such as Side B Christianity have attempted to forge a middle way by adopting an identity in unnatural desire, such as being a gay Christian, so long as the desires are not carried out. I suspect that in the coming years, especially as freedoms wane, we will witness a much wider acceptance of sexual perversions as permissible "Christian" behavior, championed in the name of love.

A WAY FORWARD

There have been many helpful assessments explaining the problem, but Christians are left feeling that we have little direction in how to handle a worldwide movement that is completely incompatible with the Christian faith. The most important question for Christians at this moment is how to remain faithful to Scripture on these issues without compromising the faith once for all delivered to the saints.

The Christian church must demonstrate the fearlessness of Daniel, who prayed three times daily when he was commanded to be silent. We must hear the call that God gave to Joshua: "Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go" (Josh. 1:9). Most importantly, Christians should follow their Lord, who demonstrated unwavering commitment to tell people the truth in the promotion of righteousness, even as the cross loomed in the background as a consequence. Remember, our commitment to follow Christ has always come with the promise of the world's hatred (John 15:18).

WHAT IS TRUTH?

Is Truth subjective or objective? Is sexuality a spectrum or objective and binary?

The timeless question that Pilate asked Jesus, "What is truth?" (John 18:38), is of supreme importance. Christians who are truly committed to following Jesus Christ remain duty bound to answer any challenge to their faith by holding without compromise ... and Christians are called to be truth-tellers, and our situation requires telling people the truth about creation, anthropology, and the goodness of God's created order. Truth telling in our generation will be needed at the most basic points of departure from God's creative handiwork, even to the point of preferred pronouns. Some have argued that answering a man or a woman with his or her preferred pronoun is a vocabulary choice.

After Obergefell and Bostock codified these ideologies into law, however, it is clear that we are being called to serve an idolatry of false personhood that is contrary to what God requires of us in **making us in His image**. We cannot support this idolatry. God requires that we love Him and our neighbor by affirming how He created us, as male or female. Yes, this will require great wisdom in how we conduct ourselves before the world, but telling the truth is at the heart of the Christian's purpose on this earth.

Further, Christians must be faithful in pursuing a holy sexuality as a crucial part of their witness to the world. In our efforts to remain uncompromised in the face of moral revolution, it would be wrong to be fixated on the bigger sins of the culture without considering what brought us here to begin with.

God's holy standard of sexuality reaches far deeper into our lives than is often appreciated. As the line of morality in the culture continues to be pushed further back, we forget that the one commandment that addresses sexual immorality begins not with homosexuality but with adultery. This means that for us to be uncompromised as Christians in the face of these new challenges, we must first honor God's standard of sexuality in our own marriages. This also requires us to train up our children and sexual purity, speaking to them about sexual preserve, perversions and pornography, and premarital sex and be very clear about it.

So many of our kids are growing up, thinking it's normal to flaunt their body on social media and exploit their sexuality for attention. We must be teaching our daughters the importance of modesty, and our sons, the importance of finding a righteous woman.
